Senedd Visit

We had a superb visit from Ceri as part of the Welsh Senedd today in Dosbarth Celyn! The children learned all about the Welsh government, what they do, and their impact on Wales. The children took part in a 'what makes a great leader' activity in groups and came up with some impressive answers. After this, several children had to lead a particular party to change something about Wales, and the rest of the class had to vote on which one they thought was the best at the polling station. A lovely afternoon!
