Dear Parent/Guardian

Phased rollout of Primary Free School Meals for the youngest children from September 2022 onwards.

From the new Easter term 8 April 2024 onwards all children from Reception to Year 6 will be offered Free School Meals. This is an important step in reaching the shared ambition of ensuring no child goes hungry while in school.

In response to the rising cost of living and in order to provide all children in Wales with a healthy and varied diet, Welsh Government and Flintshire County Council are committed to implementing this scheme quickly and significant work has been completed to build catering capacity to ensure a successful phased implementation and deliver a whole school roll-out.

Please rest assured that if your child is currently in receipt of free school meals and/or any other associated benefits, these will **not** be affected.

Kind regards.

Yours sincerely

Mrs Emma O'Neill

Acting Headteacher
