## Newsletter/Cylchlythythr

**Friday 5<sup>th</sup> September 2025 / Dydd Gwyner 5 Medi 2025**

Dear Parent/Guardian/Annwyl Rieni/Gwarchodwyr,

What a lovely first week we have had. The children have settled into their new classes and are enjoying telling staff and their friends about their holiday adventures.

We have a very busy term ahead with visits and trips lined up. We also have our Harvest celebrations, Children in Need and of course the Christmas Concerts.

Parental Consent Forms for Social Media use have been sent home earlier this week. Please read through them and let us know if you agree/disagree to the use of your child's image on social media. Please sign and return them to school as soon as possible if you have not already done so.

Please remember to notify us in writing of any change of address or contact details, any medical conditions, allergies or food intolerances that we are not aware of.

You are now doubt aware that the Government is sending out an Emergency Alert to mobile phones on Sunday 7<sup>th</sup> September at 3pm. This is just a test.

The newsletters are sent out every other week. They have lots of information for you, please take some time to read through them.

### Job Vacancy

We have a vacancy at school for a **Mid Day Supervisor** to cover lunch times from 12.00 to 1.00pm every day during term time to start as soon as possible. If you are interested in the role or know anyone who may be please contact the school office for further details. Many thanks.

### School Topic's this term are as follows -

#### Derwen Bach

This term our topic is 'Buildings and Homes'. Children will be learning about the types of homes they live in, home safety and will design and create their own dream home. Children will also be learning about homes and important buildings from around the world as well as homes from the past. We will also explore what different homes are made from through the story of the three little pigs.

## Onnen

Year 2 & 3 will be investigating castles. We will be finding out where they are in Wales and why they were built. We will also look at how castles changed through history. We will be visiting Denbigh Castle and then writing a recount about the visit. We will also find out what jobs people had in a castle and use this information to write job advertisements and diary entries. In Art we will be looking at tapestries and the children will create their own designs which they will then turn into a cross stitch. This links with their maths as they will be using symmetry in their designs.

## Celyn

### Disasters that made history: The Titanic.

In Celyn class this Autumn term, the children will investigate who was to blame for the sinking of the Titanic, looking at various roles people had to play in the disaster, and will write a balanced argument as well as debating this orally. The children will be looking at a timeline of events, as well as analysing primary and secondary historical sources related to the disaster. In our 'Philosophy' lessons the children will look discuss and debate classism and prejudice that may have been present on board the Titanic. In Expressive Arts, the children will complete artwork 'through the ship window' using a variety of different artistic tools, as well as creating dramatic freeze frames to demonstrate the scenes before, during and after the sinking. In Music, our Charanga module for this half term is 'Mama Mia!'. In Science, the children will investigate and experiment with properties of materials, floating and sinking, as well as water resistance. These are just some of the exciting activities for this term's topic!

## Attendance

If your child is unable to attend school due to illness, make sure the school office is informed at the earliest opportunity. Children do suffer from coughs and colds, however unless they are running a temperature they can still come to school. There is guidance on the NHS website if you are unsure. Children need to remain at home for 48 hours after the last episode of a tummy bug!

Late marks will be given to children where they have not arrived before registration. Please remember in an effort to maintain Welsh Government attendance recommendations any holiday requests must be submitted to the office for approval.

Our attendance this week is 96.77%

## PE

All pupils will be having their PE lessons on a **Thursday**. Please ensure all children come to school in their PE Kits with the appropriate footwear.

### PE Kit

Please can you ensure that your child has the correct PE Kit on PE days and especially for sporting events that they will take part in –

Black/grey jogging bottoms, leggings or shorts, plain white t-shirt, red jumper. Children must wear sensible trainers for PE. No jewellery please. If your child has earrings that cannot be removed, surgical tape will be applied for safety reasons. Please ensure that long hair is tied back, to prevent any accidents and reduce the spread of headlice.

## Dates for the Diary – (may be subject to change)

Year 2 & 3 – Denbigh Castle – Thursday 11<sup>th</sup> September
