

This half term children in year 3-6 have been taking part in a gymnastics club using the new equipment that we bought with the money raised during the Christmas fundraising events. The children have been preparing for a competition which will be held at Delyn Gymnastics alongside Gwella. The children will be competing in a tumble, a shape sequence and on vault. Within the after-school club, we have been looking at a range of different skills as well as exploring different apparatus. Mrs Booth is very proud of how far the children have come and the determination and perseverance they have put into practicing and developing their skill set. We are ready for the competition in March. Pob iwc I bawb!!!!
