

Eisteddfod 2026

Dosbarth Derwen Bach took part in the art competition for this year's school Eisteddfod. Nursery looked at the importance of the Daffodil and then painted their own. Some chose to use their hands as the petals where as other chose to paint the different parts of the flower.

Reception and year 1 learnt about the artist Luned Rhys- Parri. Children found their favourite place in school and took their own photograph of the area. They then went on to plan what and where their 3D model would go in their picture. Finally, children used clay to make a model of their choosing, letting it dry then painting the final model.

We are very proud of all the children's art work and the effort you all put in. Bendigedig pawb!
