

Eisteddfod Artwork – Luned Rhys Parri!

The children created some marvellous 3D artwork inspired by the style of Welsh artist Luned Rhys Parri. They took a tour around Caerwys, taking photographs to use as their backgrounds, and then moulded and painted 3D clay figures. They worked predominantly independently, watching examples made by Mrs. Brooks, putting what they had seen into practice, and following her helpful verbal hints. Thank you, Mrs. Brooks. Your creative skills and direction helped the children to produce outstanding installations.
